Hi Karen,

My name is Alain Datcher, Program Manager for the Fierman Walkway Improvement Project. All construction and related activities have been completed on this project. I was informed by the presiding Business Improvement District that they are unable to receive a permit for an upcoming event because construction is still scheduled to go on there.

For your reference I have attached both a Statement of Completion and Notice of Completion—both filed at the County Registrar. I have not requested any permits to be conducted there, please advise.

Sincerely,

Alain J. Datcher
